In Memory and Dedication

You showed us laughter.
You made our hearts dance.
You made us smile with
Just a slight glance.

The moments are shared, The hours, the days — You touched us all In so many ways.

N.A.C.

to Jennifer Jayne Winn

I have reached my Divine; And for all those who mourn, Rather settle your mind With happy memories.

For as far away as it seems, There will always be The sense of being close, But never being there.

Think of me now as before. I'm as free as the gusty winds, Captured in the sky.

The wind I provide
Will only point the way
To the extinction of our memories
And then turn back.

C.M.R.

You'll always
be with us
The Class of
1982

She's an Nory girl.

Maturity blossoms.

Will Stirg ever shed her Band-aid?

Freed from the cage.

You'd never know there was a camera in the room.

Schrock lookout

Jane's never been so high

The girls doing their "shorthand," get it?

What are you looking for, Becca?

The Not Ready for Prime Time Typists.

Brian finally found the ultimate high.

Just a pinch between the cheek and gum.

Tempted by the fruit of another

You got that look I want to know better.

Do you think he noticed us?

American Gigolettes

The one that failed

And that's the way it is at Manchester High.

Okay guys! Whose been in my purse?

ALABAMAS ... Are you ready?

She's not that type of girl.

I swear that cookie just winked at me.

We'd do anything to get in the yearbook.

Having some fun.

Smile girls!

Get that @# % @ camera outta here!

Here comes Schrockie, everyone on the bench!

Hi there, "Sweet-heart."

James P. and his harem.

Hatcha of the Kalahari

I'll take Joe, you take Tom.

Beth Neal talks, but do people listen?

AP is such an exhilerating sport!

Red, White, or Rosé?

They're just too good for words.

We're all gonna die!

Where did they come from?

How the hell are ya?

Look at me! Look at me.

I'm looking!

Cribnotes? ME?

Staying on top of things.

Thinking of Polly Gamy.

Victims of the French kiss.

Beached Seniors

Saturday night?

Tremember

Please, Ma he won't eat much!

Hey, Babes!

Sorry, it was a tough weekend

What did you say?!

The next Bruce Lee?

Karen, a ham? Now where'd you get that idea?

Now don't be interrupting me here!

Beach blanket bingo.

Otherwise known as Larry, Moe and Curly.

Fun class, huh?

Look out . . . Becca's loose!

Don't you ever ask them why

If they told you, you would cry.

Look, Phil ... a camera!

Did you see that guy!?!

They call me Stud Jr.

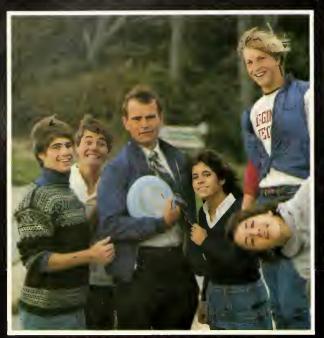

He's just a Goob.

What's that journal about Campy?

Hear no evil, speak no evil, see no evil!

And they thought he was against frisbee.

For that stern look . .

The great and powerful Wizard of Odds.

Tom, pay attention! ...

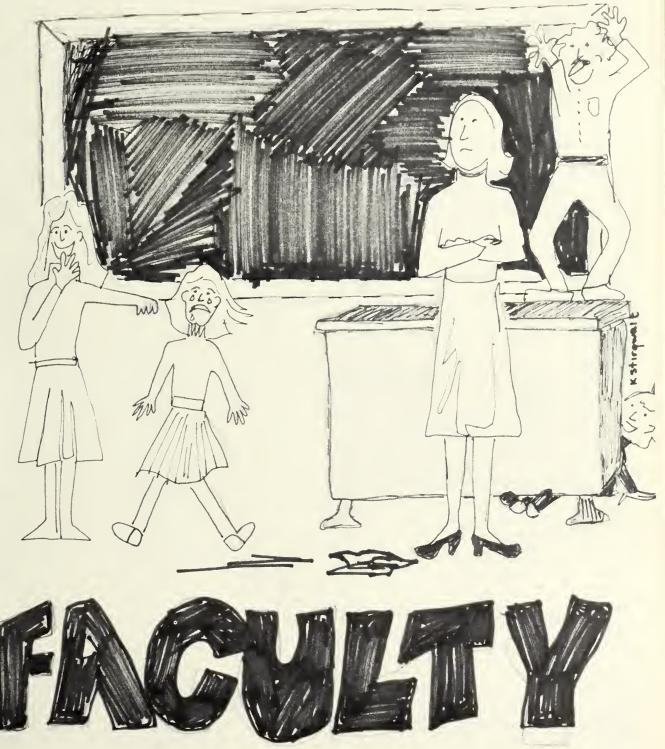

How do you get 25 Seniors on staging?

TO THE CLASS OF 1982

It has been a privilege to serve and represent this class for the past three years as your president. I am even more proud of my position as a member of the class.

We all have new places to go and new challenges to meet. If the high school years are any indication of the future, we have little to worry about. What seemed like insurmountable walls have been overcome and are now behind us. Even when we were set back, we showed character by continuing on toward our goals.

Our class has left an impression on the school and the community. It is time to expand as individuals and make our impressions on the world. I am optimistic about the future, knowing that you are the type of people who will be part of it.

I congratulate every one of you. This class is one of the best in terms of academics, athletics, and the arts to have graduated from this school. I wish you success and happiness in whatever you do in the future.

Sincerely, Jonathan Simon

IN MEMORIAM . . .

In Memoriam to Carol Bates

Reflections in the mirror of my past

Concentrate on those who've gone away

And bring back pains of love and pains of life

That all the tears I've shed will never mend.

As time goes on, the hurt begins to fade.

We are able to accept what once seemed so unfair,

And the memories bring joy, not tears.

When those we love have gone away, We realize so much was left unsaid. We wish we had just one more chance To say how much we loved you . . . we cared.

SPRING-EVENTS.

1981 BOYS' TENNIS

The boys' tennis team had yet another outstanding tennis season. With eleven league wins (twelve including Pingree) and no losses during the regular season and a three and one record at the state tournament, the team has again proved it can outmove and outplay any competitor. With no loss of players for the '82 season, Coach Janet Burt is looking forward to another chance at the state championship.

In par with the Boys' team, Coach Fran Strazzula's Girls' Tennis Team had an outstanding performance in 1981. Beating Pingree and coming up with a ten and one record brought the girls to the state finals, where unfortunately they lost their second match in the second round. With a whole crop of new talent coming up and with many veterans returning, the team is eager to get their rightful claim, the State Championship.

VARSITY SOFTBALL

Just as for the Field Hockey team, 1981 was a building year for the Varsity Softball team. With but five Varsity players returning, Coach Coons experimented with the team, switching players from position to position. Though ending the season with a 3-9 record, Manchester had three all-star players: Karen Manos, Rebecca Marsden, and Ellen Field.

1981 JV SOFTBALL

JV Softball

Leonette Strout's Junior Varsity team had a mediocre season (6-11) in the face of strong competition in 1981. With a team made up of nine freshmen, Manchester had a big disadvantage in playing the older, more experienced teams. For the 1982 season, Ms. Strout hopes for better results, since the majority of the returning players will be sophomores, and a new batch of freshmen will also be swelling the team's ranks.

1981 VARSITY BASEBALL

68

VARSITY BASEBALL

Losing too many close games, the Boys' Varsity Baseball team went 8-10 for the 1981 season. This is a record that returning captains Eddie Field and Eric Bachry plan to improve in 1982. Losing only two starting players, and gaining some talented underclassmen, Coach Dick Ananian expects a stronger team to vie for the Mayflower pennant.

JV BASEBALL

(first row, left to right) S. Rosnick, A. Cummings, B. Foley, M. Fusco, T. Aldrich, D. Bates. (2nd row, left to right) K. Bachry, T. Pallazolla, J. Aiello, W. Melvín, J. Gílson, M. Rooney, J. Pallazolla, T. Crane, Coach Maijenski.

JV Baseball

For Manchester, the Junior Varsity team often bears the brunt of the losses: the outstanding players are usually promoted to Varsity due to the lack of senior players. The predominantly freshman and sophomore JV team has to face stronger juniors and sophomores from other schools. Coach Maijenski notes that this year's Varsity will no longer have to draft JV players, and thus the '82 season should be a great improvement on the 1981's 1-12 record.

Jr. High Baseball

With an even record of 7-8 in the face of stiff competition, Coach Burgess' Junior High team showed that it had the talent and the drive (though sometimes not the luck) to play a good ball game. Every game was close, but while Manchester was at times outplayed, Coach Burgess agrees that it was never outclassed. While losing players to the sub-varsity team, Junior High baseball can look forward to another good season next year.

Boys' Cross Country

The boys' cross country team, accumulating a record of 4-7, under the coaching of Tom Meyers, did significantly better this year than it did in 1980. Under co-captains Mike Ambrose and Tyler Laughridge, the predominantly ninth and tenth grade team was primarily concerned with gearing up for and getting experienced for next year's season. The fall awards assembly left Mike Ambrose with the MVP trophy, Tyler Laughridge with Coach's Award, and Steven Anderson with Most Improved.

Girls' Cross Country

Like the boys' team, the girls' cross country team had what was essentially a building year. Coach Bill Burgess led the girls to an outstanding sixth place finish and a fairly decent record. Out of an eight member team, the girls selected eight octa-captains, of whom four will be returning next year to better their previous record. Award winners were Debbie Creed with the Coach's Award, Sarah Marsden with MVP, and Jennifer Smalley with Most Improved.

The field hockey team went 5-7 this year. According to one tri-captain, "It was a big improvement year." Thirteen senior girls, plus a couple of underclasswomen were led by Beth Bresnahan, Beth Neal, and top scorer and Mayflower League All-star, Leslie Donovan. Diane Coons was the head coach, with Mrs. Baker preparing a whole new crew to take over the varsity spots left vacant for 1982.

1981 SUPERBOWL

Manchester-49
Dorchester-6

VARSITY FOOTBALL

Cheered on madly by two thousand screaming fans, Manchester football players stormed over Dorchester 49-6. The Superbowl was a very dramatic and exciting affair, with Manchester fans swarming the field at game's end, but the regular season was no less suspenseful. Led by tri-captains Eric Bachry (Mayflower League All-star), Eddie Field (All-star), and Todd Piergrossi (a ranked scorer, even after playing but the first half of two games), Manchester went 9-1, losing only to last year's state champs, Nantucket. In addition to having a brutal line, offense and defense, an awesome defensive field and a brilliant team of running backs and quarterbacks, Manchester boasted four more Mayflower League Allstars: Shawn Dwyer, Phil MacDougall, Rob Ocko and Mike Rooney. In addition to them was Darren Twombly, Eddie Field and Eric Bachry as Boston Globe Division V all-stars.

Even though they had an extremely talented team to start with, it took the coaches long hours of work to hone Manchester Football down to the powerhouse it became. This was a golden year for Coach Chuck Cooke, the logical extension of his previous two years of winning records. Under Coach Skip Perry, and his assistant Robert Fitzgerald, the line became stunningly effective. The line hit harder and blocked better than any opposition, stopping offenses or opening holes for the backs. Coach Jerry Schrock, meanwhile, took full advantage of the line, and his backfield unit made more interceptions and stopped more downs than that of any other team. Coaches Ananian and Maijenski also gave invaluable help scouting and developing strategies.

It will be a hard thing for the football team to live up to its name next year, but from the looks of things, there seems to be a fairly good chance that next year Manchester will face another unfortunate opponent at the Superbowl.

TO THE CLASS OF 1982

As I write this, the Senior Countdown to the last day of classes before Project SCORE is 30, and by the time you read this, Graduation will be just a few days away. The college acceptances and rejections will have come and gone, many job plans finalized, and both realistic planning and fantasizing about the future will be continuing.

However, the individual and collective high school records of the Class of '82 have just about been completed and many of you are justifiably proud and some of you understand-

ably are sighing, "If I had only ...

Among the adjectives that seem to fit your class are: industrious and close-knit. Faculty in particular are sensitive to "senioritis" and, though they may lack unanimity on this, some acknowledge you've given serious attention to your academic responsibilities longer in your senior year than many of your predecessors.

There is certainly general agreement that the Class of '82 is close-knit and the evidence in

athletic, extra-curricular, and class activities has been significant.

The human family is in great need of hard work and togetherness. My wish for you all is that you carry these traits with you beyond M.H.S. to a world waiting desperately for them.

Superintendent Ball Retires But Leaves a Strong Tradition

Our Superintendent of Schools, Foster Ball, retired the last day of 1981 after a quarter of a century of service to our schools, eighteen years as superintendent. As Foster Ball joins Joe Hyland in retirement and in a few months as Frank Langley joins them, we mark the end of an era. Foster's superintendency has reflected his stability, patience, modesty and strength.

We shall miss the light burning in his office late at night and his quiet, constant involvement in the activities of our school — from a Hornets football game to

graduation.

Meantime, one last "hurrah" for Foster.
